Leading Professional Keglers Go in Western Open Tourney

Seven of the 10 leading money winners on the third nationwide tour of the Professional Bowlers' Association will be among 144 stars in the second annual Western Open Tournament, June 7-10, at the South Bay Bowling Center in Redondo Beach.

The entry list for the \$21,900 competition, which now looms as a sellout for seven performances, also includes 13 of the PBA travelers who have "cashed" in two or more of the stops at Albany, N. Y., Paramus, N. J., and Dallas, Tex.

Heading the list of competitors entered in the four-day event here—the only Southern California appearance of the touring pros—is little south-paw Roy Lown of El Paso, who won the \$15,000 National Invitational tournament in New Jersey.

Rich Robinette of Huntington, West Va., second with \$8,000, Bill Golembiewski of Detroit ninth with \$3,435 and Carmen Salvino of Chicago 10th with \$300 among the leading money winners will pass up the local attraction.

Only three bowlers—Ray Bluth (\$4712.50), Dick Weber (\$3430) and Tom Hennessey (\$1487.50), all of St. Louis—have "cashed" in all three of the previous tournaments on the tour.

Weber, 31, earned his fourth PBA title in three years May 21, when he swept to triumph in the \$21,900 All American Classic in Dallas. Weber averaged 231.9 in the 16-game finals. He won at Paramus and Dayton in 1959 and at Albany last year for other tournament victories.

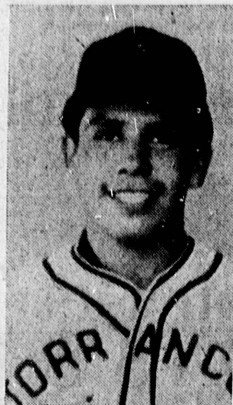

Meanwhile, South Bay Tournament Director John Klares announced yesterday that a few openings still remain for entries in the pro-amateur preview competition, set Wednesday, June 7.

Amateur Bowlers— anyone

who is not a registered PBA member—interested in participating in the special \$2000 Pro-Am event, may contact John Klares for information at FR. 6-2453 or SPing 2-2596.

Sixty Squads Set to Battle For Crown

Sixty parochial softball teams are battling it out in the playoffs for the 1961 CYO Parochial School Softball Championship. It was announced by Alvin R. Shellogg, CYO athletic director.

Thirty five are division winners in boys leagues and 25 in girls leagues. Consolation and championship games for girls will be played at 3:30 and 5 p.m. Thursday, and for boys, Friday, at Normandie Play-ground.

Torrance High didn't fare too well in the Pioneer baseball standings, but it managed to land three players on the All-Pioneer League team. Pitcher Ray Wilson, third baseman Eleazar Ybarra and outfielder Steve Parker all gained a berth on the mythical nine for the Tartars.

The selections, picked by the coaches of the loop, saw CIF finalist El Segundo place five men on the squad. Second place Aviation followed the Seahawks up in the selections as three Falcons were named.

One of the major surprises on the team was the absence of El Segundo hurler Dick King. King pitched the Sea-

hawks into the CIF finals only to be defeated in the final round of play by Compton.

King had been the winning pitcher in all previous CIF playoff tilts and boasted a season record of 17-1. His only defeat prior to the loss Friday at the hands of Aviation's Jerry Smith, who pitched his team to a 1 to 0 win over the S'Hawks.

All three Tartar players named to the squad are Seniors.

As late in the season as April 30, the three players had sparked Torrance to a first place tie with eventual champion El Segundo. Late season hard luck and lackluster play drove the Tartars back into third place behind the Seahawks and Aviation.

Putt-Putt Match Set For Today, Sixty Entered

More than 60 entries have been received for the South Bay putt-putt golf tournament today at 20535 Hawthorne Blvd.,

Qualifying will begin at 9 a.m. with finals at 10:30 a.m. for the events which will present \$200 to the winner.

The pro-tournament will consist of 10 rounds with a 36-par for the course.

Today's Tournament is just one of a series of matches that are being played around the country. The next of these matches to be held in Los Angeles will be on August 26 and 27 where \$4,000 will be offered in prize money.

STEPPING AHEAD . . . Torrance High outfielder Steve Parker has been named to a first team All-Pioneer League berth. Two other Tartars were also honored, Ray Wilson and Eleazar Ybarra.

Hons Smashes Grand Slam Homer, Strikes Out Eight in Victory

Joel Hons, a relief pitcher for the Indians, smashed a grand slam home run in the sixth inning to tie up a Torrance Little League joust with the Braves and his mates went on to score three more runs in the seventh frame to post an 11 to 8 victory.

Trailing 8 to 1 going into the sixth inning, the Indians suddenly went on the warpath and managed to tie up the tilt and sent it into extra innings.

Hons played a major part in all three of the Indians victories this season. He pitched a no-hit shutout for their first win of the year and followed it up with a two-hit shutout. Against the Braves, Hons struck out eight men in his four innings relief stint.

Billy Hoskinson, went all the way for the Braves, striking out 11 men.

In a see-saw contest that saw the lead switch hands four times, the White Sox nipped the Yankees 8 to 6. The Sox

nailed down the win with a four run outburst in the fifth inning.

Danny Stern went three for four at the plate and Billy Tibbet went the full six innings on the mound to pace the Pale Hose to the victory.

For the losers, Steve Pancake belted a home run and Billy Ernst pitched the entire game.

The Cubs romped back into the win column by skunking the Tigers 4 to 0 as Bill Bergerson hurled a two hitter. Bergerson also flexed his muscles as he slammed a home run.

Minor League contests found the Stars defeating the Red Sox, 10 to 14; the Pirates downing the Angels, 12 to 9; the Cards edging the Padres by a 14 to 13 margin and the Giants vanquishing the Orioles, 11 to 5.

The Giants are currently leading the league with a 5-0 record.

Marine Stadium To Sponsor Racing Regatta

The year's largest field of racing boats, including several record holders and national champions, will assault Long Beach Marine Stadium in tidal wave proportions, June 24-25, for the third annual Regatta of Champions.

At least 250 boats—drawn from all divisions of marine competition—will be entered in the unique program prepared by promoter J. C. Agajanian and the sponsoring Los Angeles Boat and Ski Club. At stake will be a record guaranteed purse of \$1,500.

Agajanian, prominent auto racing figure, announced that for the first time in boat racing, events will be presented in the same style as auto races—qualifying, a trophy dash, heat races and semi and main events.

ALL INBOARDS will be grouped in one class, launching action with qualifying trials Saturday to fill 32 positions in Sunday's featured events over the one-mile course.

In addition, an outboard division will bring the eight fastest in this category into Sunday's special events. Weekend competition also will include drag boats and drag skiers.

ENTRIES ALREADY filed include national ski boat champion Ed Olsen of Garden Grove, winner of the recent Memorial Day regatta; defending drag boat champion Jack Pettijohn of Phoenix, record holder at 121.65 mph in his quarter-mile specialty; men's water ski record holder Butch Peterson of Los Angeles (106 mph), and Marjorie Lisonbee of Phoenix, who is the women's record holder at 78 mph. Pettijohn's opposition will include America's fastest man on wheels, Mickey Thompson, who is a ranking water drags-ter.

"This is the only regatta open to all boats," said Agajanian. "It's the one event where all classes get together. When the field is narrowed to 32 boats on Sunday, they'll be the fastest craft available on the West Coast."

Larry D. Anthony, radarman third class, USN, son of Mr. and Mrs. Elmer D. Anthony of 16418 Illinois Court, was promoted to the present rate, May 16, while serving aboard the destroyer USS Perry operating out of Mayport, Fla.

Cycle Speedsters Go At Ascot Park

A field of close to 100 motorcycle speedsters, headed by streaking Neil Keen of Pasadena and Al Gunter of Los Angeles, whirled around the fast half-mile Ascot Park oval Friday night, June 9, in the season's tenth program.

The 16-event AMA-sanctioned racing card under direction of J. C. Agajanian starts at 8:30 o'clock, one-lap qualifying at 7. The popular thrill plant is located at 183rd and Vermont, Gardena.

At last count, Keen had a stranglehold on victories in the Class A division and held the championship point lead with 788 points.

Friday night the Pasadena two-wheeler will be aiming to surpass the local record of 13 straight victories established

by Gunter in 1957. Stu Morley of Los Angeles and Jack O'Brien of Santa Monica pose serious threats to Keen and Gunter, while little Sammy Tanner of Bellflower has many backers who look for him to take it all.

Gene Montgomery of Lomita and Clyde Litch of Baldwin Park rate major threats to Duane Shadley of Iowa in Friday night's supporting feature, the 10-lap Class B main event.

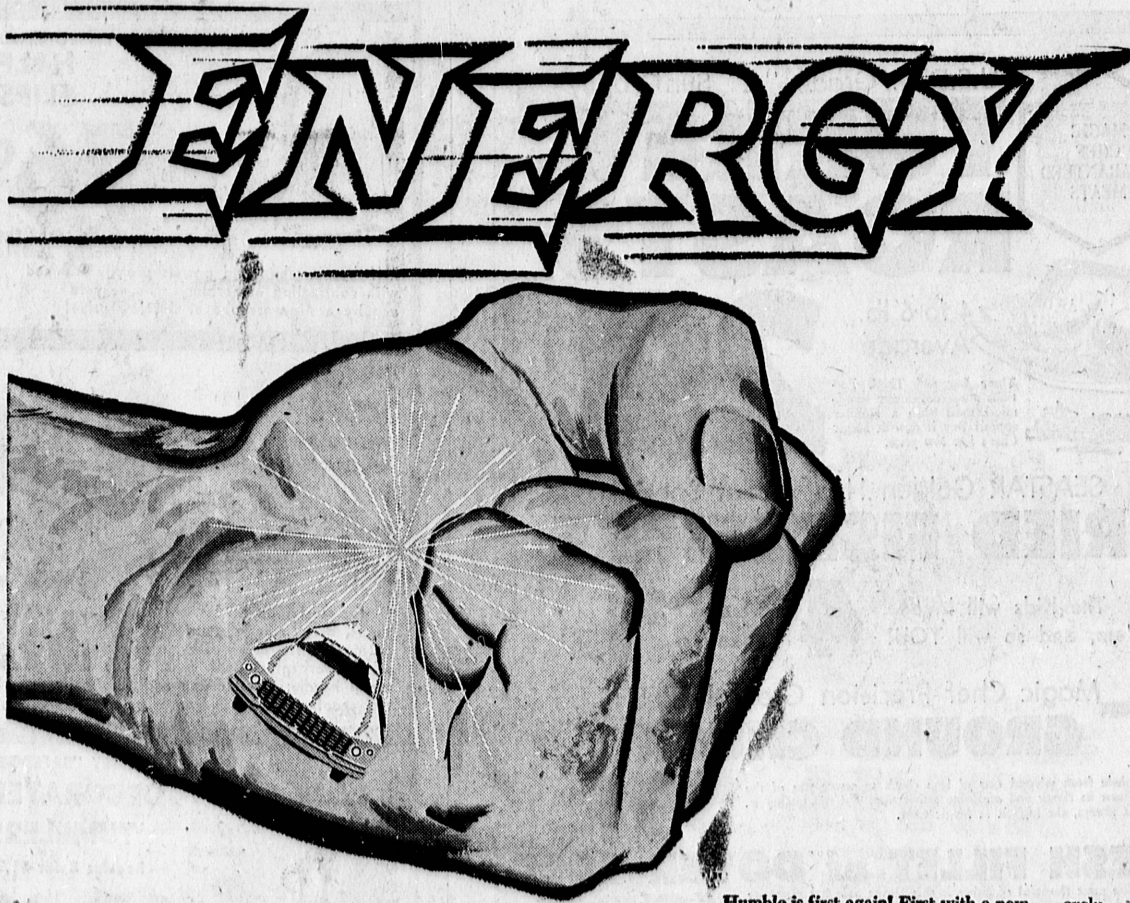

Agajanian has scheduled another of the highly popular night steeple-chase races at Ascot Monday night, July 3, with Dick Dorresteyn aiming for revenge on Dick Hammer.

Hammer stopped Dorresteyn's winning streak Monday night, May 29, before a jam-packed Ascot crowd.
